**Terms and Conditions of Hire:**

For all *Scheduled photo safaris and Tailor Made photo safaris*, you must hire the equipment items for the entire duration of the safari.

For example, if you wanted to hire the 500mm lens and a wimberley head for the "Best of Kruger Plus Big Cats" Photo Safari then you will hire them both for a total of 13 days.

Based on the rates above, the following hire charges would apply:

Canon 500mm f4 IS Lens x 13 days @ GBP 33 per day = GBP 429

Wimberley Version 2 x 13 days @ GBP 5 per day = GBP 65

If you have chosen to do the 2 night extension and have hired equipment for the duration of the scheduled photo safari then you are eligible for a 50% discount on the same equipment items whilst on the extension. You can also choose to hire the equipment for only one of the days on the extension ie if you only want the Macro Lens for the Reptile Photo Shoot then you can hire it just for the 1 day @ GBP 10 **(THIS ONLY APPLIES TO THE 2 NIGHT EXTENSION)**

If a piece of equipment is damaged in your care while you are renting it, you will be charged to fix or replace the item. You may be able to recover some of those funds through your own photographer's or homeowner's insurance – but it is not guaranteed. Please be careful with the equipment you hire.

All equipment items will remain under the care and supervision of Stu Porter or another member of the WILD4 staff during the safari. The items will be prepared for you at the beginning of the day and packed away at the end of the day. A WILD4 staff member will keep the items in his/her care overnight.

**Payment of 50% of the total hire amount** for any item or items must be made along with your initial safari deposit payment.

Hire of any piece of equipment is restricted to a single photographer at a time and cannot be shared (except in the case of a husband and wife team)

Hire of any of the items can be suspended immediately at the discretion of Stu Porter or another WILD4 staff member, if they feel that the item is not being cared for in a reasonable manner by the person hiring the item. Stu Porter guarantees that all items are in perfect working condition.

**I have read the above terms & conditions and by signing this document, I agree to the terms and conditions of hire pertaining to the above mentioned Photographic Equipment, belonging to Wild 4 Photographic Safaris, that I have chosen to hire.**
